SERVICE

03

WHAT IT COVERS

Paint & timber	Internal/external painting, timber repair, frames, windows, doors and protective systems.
Façade & concrete	Façade cleaning, brickwork, pointing, crack repair, concrete repair, balconies, galleries and sealants.
Roof & drainage	Pitched and flat roofs, details, gutters, rainwater systems and lead, zinc or copperwork.
Glass & airtightness	Glass replacement, insulating glazing, sealants, junction details and airtightness measures.
Metal & coatings	Steel components, railings, stairs, corrosion protection and specialist coatings.
Common areas	Entrances, stairwells, stores, corridors and shared facilities.
Annual/long-term plan	Bundling, phasing, budget control, quality assurance and recurring maintenance.
Monitoring	Periodic inspection, failure data and condition information supporting risk-based maintenance.

ORYX does not sell a disconnected list of trades; it offers a coordinated work package with one scope, programme and handover record.

BOOK A PROPERTY CHECK

Tell us what you need and the Renovation team will contact you to agree the details.
