

SERVICE 06 OF 09

CONVERSION & ADAPTIVE REUSE

Prepare existing property for a new function or layout.

WORKS

7

SERVICE

06

WHAT IT COVERS

Change of use	Office-to-residential, care, education, retail or another use class.
New layout	Subdivision, combination, self-contained units, circulation and service routes.
Extension	Vertical extension, additions, intensification or better use of existing volume.
Structural	Openings, floors, load-bearing structure and foundations after calculation and competent review.
Technical	Envelope, fire safety, acoustics, building services, accessibility and energy performance.
Flexible use	Demountable, reusable and reversible fit-out for future change.
Integrated delivery	Renovation, energy improvement, user communication and handover in one project route.

Qualified specialist. Carried out or supervised by a qualified specialist where required.

Feasibility and risk first. Scope, programme and delivery second.

BOOK A PROPERTY CHECK

Tell us what you need and the Renovation team will contact you to agree the details.
