WHAT IT COVERS

Research & significance

QUALIFIED SPECIALIST

Historic-building research or heritage significance assessment through appropriate specialists.

Planning

Heritage inspection, conservation strategy, permit route, trials and phasing.

Timber & structure

Historic roofs, trusses, frames, windows, doors and timber joints.

Masonry & stone

Historic masonry, pointing, lime mortar, natural stone and restrained repair.

Roof, glass & metal

Historic roof coverings, glazing, lead, zinc, copper, railings and ornaments.

Finishes

Historic decoration, paint analysis, plasterwork, mouldings and decorative elements.

Sustainable conservation

Energy improvement, adaptive reuse and long-term maintenance respectful of heritage significance.

Qualified specialist. Carried out or supervised by a qualified specialist where required.

Works to protected heritage may require permission and a demonstrably competent conservation partner. ORYX confirms the delivery model only after reviewing the property and requirements.

BOOK A PROPERTY CHECK

Tell us what you need and the Renovation team will contact you to agree the details.
