

SECTOR 10 OF 12

HEALTHCARE & SOCIAL CARE

Care, support and welfare profiles across six care settings, from daily support to clinical care and coordination.

ROLES

18

GROUPS

3

WAYS TO HIRE

4

PERSONAL CARE, NURSING & MEDICAL SUPPORT 6 ROLES

Professionals for daily care and clinical support. Care intensity and autonomy determine the required profile.

Care Assistant	Supports the care team with defined non-complex client, logistics and domestic duties.
Care & Wellbeing Assistant	Supports living, nutrition, personal care, ADL, activities and wellbeing.
Verzorgende IG (VIG)	Provides personal and selected clinical care and reports under the care plan.
Registered Nurse	Assesses nursing needs and performs procedures within BIG registration and competence.
Medical Assistant (GP Practice)	Triages within agreed limits, schedules care and performs protocol-led clinical tasks.
Medical Secretary	Supports medical administration, scheduling, correspondence and records.

SUPPORT WORK, SOCIAL WORK & WELLBEING 5 ROLES

People who support, activate and strengthen autonomy. Setting is a filter, not a new occupation.

Social Care Support Worker	Supports autonomy, living, daily structure, participation, behaviour and quality of life.
Personal Social Care Coordinator	Coordinates client support and aligns the client's network and disciplines.
Social Worker	Supports daily functioning, participation, prevention and access to services.
Youth & Family Professional	Supports young people and families within professional allocation and SKJ registration.
Client Support Adviser	Helps clients clarify needs and options and supports access to care and services.

MATERNITY, CHILDCARE, HOME SUPPORT & PLANNING 7 ROLES

Continuity for children, home, roster and team. Childcare has its own diploma and registration route.

Maternity Care Assistant	Supports mother, baby and family after birth under the maternity-care protocol.
Childcare Practitioner	Provides responsible childcare and supports development, care, play and structure.
Senior Childcare Practitioner	Supports children with more complex needs and contributes to plans and quality.
Childcare Group Assistant	Supports the group with care, domestic and organisational tasks.
Home Support Worker	Supports clients at home with domestic activity, daily structure and autonomy.
Care Planner	Plans staff and shifts and processes availability, qualifications and roster rules.
Care & Social Support Team Leader	Leads the team and monitors quality, safety, continuity and handover.
